12. [redacted] Marion Ball, USIA Congressional Liaison office, called after having received a request from Brian Lamb, Press Secretary to Senator Peter Dominick (R., Colo.), for worldwide press reaction to the passing of the Cooper/Church amendment. She had already told him that State had not picked up any significant foreign reaction. After checking with [redacted] FBIS, I called Lamb and told him we had picked up only one Tass reaction, which he said he already had. Lamb said he appreciated our quick response.
